ARTICLE I RECOGNITION AND DEFINITIONS

The Board of Directors of the Central Community School District of Clinton County (hereinafter called the "Board" or "school district") hereby recognizes Local #199 of the Service Employees International Union (hereinafter called "Union") as the exclusive bargaining agent for all personnel as set forth in the PERB certification instrument (Case #5311) issued by the Public Employment Relations Board on August 15, 1995. This shall include all such personnel on an authorized leave of absence, but shall not include any position which is supervisory or administrative in nature.

The bargaining unit described above includes all education aides employed by the Board. The bargaining unit described above does not include any personnel excluded by Section 4 of the Public Employees Relations Act.

A. Recognition

1. The employer agrees to meet and confer with the Central DeWitt Aides at times which are mutually agreed upon to discuss matters of employment including wages, insurance, transfer, holidays, grievance procedures, leaves of absence, seniority and reduction in force.

B. Definitions

1. The term employer shall mean the Central

Community School District, its Board of Education or other representatives.

2. The term employee shall mean those employees who serve as teacher aides and special education aides.

ARTICLE II UNION RIGHTS

1.1 The Union shall have the right to hold meetings on school district property after regular school hours, provided that such meetings in no way interfere with any aspect of the instructional or activity program. Any out-of-pocket expenses to the district resulting from such meetings will be borne by the Union, as appropriate, and within the provisions of school district policy. Such meetings will be scheduled with the building principal where they shall be held and subject to his/her approval.

1.2 The Union shall be provided with bulletin board space in each school.

ARTICLE III GRIEVANCE PROCEDURES

A. Purpose

The purpose of this procedure is to provide a prompt, orderly method for securing, at the lowest possible level, an equitable solution to grievances. The parties agree that grievance proceedings will be kept as informal and confidential as may be appropriate at any level of this procedure.

B. Definition

A "grievance" is defined as a claim by an employee or the Union that there has been a misinterpretation or misapplication of this agreement.

Any grievance shall be processed in the following manner:

Level One - An aggrieved person shall first discuss the grievance with the employee's immediate superior, either by the employee or in the company of another employee selected by the employee, with the objective of resolving the grievance informally.

Level Two - If the aggrieved person is not satisfied with the disposition made at Level One, or if no disposition is made within five (5) days after the discussion, the employee may file the grievance in writing with the employee's immediate superior. The immediate superior shall, within five (5) school days after receiving the written grievance, give the aggrieved person the written answer.

Level Three - If the aggrieved person is not satisfied with the disposition as evidenced by the written answer, the employee may appeal such disposition to the Superintendent of School within fifteen (15) days. The Superintendent shall, within five (5) school days after receipt of the grievance, meet with the aggrieved person and the employee's representatives and such other persons as the Superintendent has designated to consider the

grievance. Within four (4) school days after such meeting, the Superintendent or representative shall give the aggrieved person a written disposition of the grievance if settlement was agreed upon or, if not, his/her answer to the grievance.

Level Four - If the grievance is not resolved satisfactorily at the third step, there shall be available a fourth step of impartial binding arbitration. The aggrieved may submit, in writing, a request for binding arbitration to the Superintendent or designee within thirty (30) days from the receipt of the answer in the third step, to enter into such arbitration. Within three (3) days of receiving the request for arbitration, the District or the Union shall request the Public Employment Relations Board to provide a panel of five (5) arbitrators. Each of the two parties will alternately strike one name at a time from the panel until only one remains. The remaining name shall serve as the arbitrator.

Expenses for the arbitration shall be borne equally by the school district and the aggrieved.

The arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore, or add to the provisions of this Agreement. His/her authority shall be strictly limited to deciding only the issue or issues presented to him/her in writing or oral testimony by the school district and the aggrieved, and his/her decision must be based solely and only upon his/her interpretation of the meaning or application of the Agreement.

ARTICLE IV LEAVES

A. Personal Illness

All regular salaried employees shall have sick leave any time after the employee has reported for duty. Fifteen (15) days sick leave will be allowed during the first and subsequent years of employment.

Any unused days of sick leave in any one year shall be credited for use in subsequent years with a maximum of 140 days so accumulated.

The Board reserves the right to request an acceptable certificate of absence signed by principal or a physician and countersigned by the Superintendent.

Employees may use up to five (5) days sick leave per year for illness in immediate family. (Immediate family is defined as spouse, children of both or either spouse, and parents of both or either spouse.)

If an employee is unable to report for duty on the first day of the new contract, and has no accumulated sick leave on which to draw, compensation for sick leave will not be allowed under the new contract until the employee does report, whereupon it will become retroactive.

B. Death leave

In the case of the death of the employee's

immediate family (spouse, child, step-child, adopted child, father, and mother) the employee may be granted by the Superintendent or designee up to three (3) days for the purpose of attending the funeral. Two (2) days may be granted to attend the funeral of a brother or sister and one (1) day may be granted to attend the funeral for a grandparent, grandchild, son-in-law, daughter-in-law, uncle, or aunt. The employee shall receive no deduction for the days granted. If additional days are needed, then good cause leave without pay may be granted.

C. Miscellaneous Leave

All regularly employed personnel of the school district will be provided a total of three (3) days of Miscellaneous Leave per fiscal year without loss of salary or benefits. Except as provided below, Miscellaneous Leave does not accumulate. Miscellaneous Leave may be taken for any of the following purposes:

1. Funerals

In case of the death of any other relative or person of unusually close personal relationship, up to one (1) day of absence shall be allowed.

The Superintendent, or designated representative, shall have the power to extend the above provisions in any specific instance.

These provisions apply to all regular employees of the Board of Education who are paid on an annual, monthly, or hourly basis.

2. Emergencies

All contracted employees shall be allowed three (3) days in any one fiscal year, without loss of salary, for emergency leave such as illness within the immediate family, disaster, court subpoena, or other necessary court appearance, and other circumstances recognized as emergencies by the Superintendent, or designated representative.

Personal business is not to be construed as an emergency.

3. Business

A business leave includes absences not covered in the emergency leave provision, such as legal business, i.e., settling an estate, household moving, original military departure of a family member, or a son or daughter graduating from college.

4. Personal

Each eligible employee will be allowed one (1) day of personal leave each fiscal year at the discretion of the employee, with accumulation to three (3) personal days. This leave is not to be taken before or after a holiday or vacation day. The reason for the leave must be stated and notice must be given five (5) days in advance. This leave must be one which cannot be accomplished during non-school days or hours.

Death, funeral, emergency, business, and

personal leaves will not be subtracted from the sick leave.

D. Military Leave

Conditions Governing Military Leave:
Leaves of absence are granted for military purposes but not to exceed the enlistment or draft period. On completion of the military service the individual may resume a position as nearly similar to the position formerly held and at the salary he/she would have received had he/she not taken such leave, but subject to the following conditions: that he/she is physically and mentally capable of performing the duties of the position, that he/she makes written application for reinstatement to the Superintendent or his/her designated representative within 90 days after termination of military service, and that he/she submits an honorable discharge from the military service.

E. Jury Duty

In the absence of extraordinary circumstances, employees of the school system may be excused for jury duty with the permission of the Superintendent or his/her designated representative. No deduction from compensation will be made during the term of jury service, provided, however, that all jury fees received by such employee shall be turned over to the school district. Employees are excused from jury duty by law on request.

F. Leave for Political Purposes

The Board of Education of the Central Community School District recognizes the Right of its employees to seek, serve, and hold public office. The Board also recognizes that district funds should not be used for non-educational activities.

Employees wishing to seek, serve, or hold public office (local, state, or national) may request leave of absence through the office of the Superintendent of Schools to the Board of Education for decision. Absences for such "leaves" shall be deducted at the per diem rate of the contract.

"Leaves" granted by the Board of Education shall not interrupt the placement of the employee on the salary schedule and/or other fringe benefits to which the employee is entitled.

Requests should be submitted well in advance of the anticipated leave.

G. Good Cause Leave

The Superintendent may grant a leave of absence with or without pay for good cause.

H. Family Medical Leave

Employees of the District are entitled to family medical leave to the same extent and subject to the same terms and conditions as set forth in the Family Medical Leave Act of 1993 and the regulations implementing the Act. No provision of the Act is diminished by
